200 HOUR PROGRAM

WELCOME FROM THE DIRECTOR

On behalf of Power Yoga Canada, it is my privilege to warmly welcome you to our program. We are honoured that you have chosen Power Yoga Canada to support you on your journey to personal and professional empowerment. We look forward to sharing our enthusiasm about the program with you and are delighted that you have made the commitment to participate.

We are here to ignite your curiosity, challenge you and support you. We are available to answer your questions, assist you in any way we can and our commitment to you will not end after certification. Our objective is to help you take the rewarding step from student to teacher. We will be here to assist you in getting started as a teacher, opening a studio and continuing your education, if you so choose. The transition from student to teacher is a rewarding one. If we pass on even a fraction of joy and satisfaction we have found through yoga, this program will be a great inspiration to you, to your students and to your students' students.

If there is anything we can do to enhance the program and make the process more meaningful and compatible to you, we would like to know. We would also appreciate receiving your feedback after the course is complete. We know you will find the Power Yoga Canada Seek The Truth 200 hour Certification program to be of tremendous value on every level of your life, and we look forward to working with you and getting to know you better.

SEEK THE TRUTH: 200 HOUR PROGRAM

ONLINE. VIRTUAL. IMPACTFUL. INTENSIVE.

The SPRING VIRTUAL ONLINE program is a combination of asana, meditation and self inquiry. You can expect to be engaged from day one in experiential learning through practice teaching, partner work and group discussions. You will be engaged daily through LIVE sessions for the duration of the program that will include over 160 interactive contact hours with PYC Co-Founders Kinndli McCollum and Pauline Caballero.

This is not like the other “online teacher trainings” you will find out there that are “downloadable, work on your own time” kind of programs. We are committed to delivering an exceptionally engaged group experience that is interactive and intimate. You will be required to have your video on and be requested to participate in all sessions to ensure that you get all that you intend on getting from the program.

We have been delivering impactful, LIFE CHANGING, community building Yoga Teacher Trainings for over 10yrs and our Virtual Online program will be delivered with the same excellence and high standards. Our 200hr program is unique in that it attracts both yoga practitioners who are interested in becoming powerful yoga teachers and many people who are interested in self-inquiry and truth seeking within themselves. The tools you gain will change you in everything you do; your relationships, your work, your self expression, and you will leave a confident yoga teacher!

CONTENT OVERVIEW FOR TRAINING

The content of the program is designed in such a way that will support you to acquire the most knowledge, skill and practical tools to set you up for success as a powerful Power Yoga teacher. It is essential that you hold yourself responsible and with integrity around the completion of each of the assignments to guarantee that you get the most out of the training. Failure to complete any assignment will result in a noncomplete of the program and we will be unable to issue certification. Most of the papers and assignments are designed in a such a way to reflect not your memorization abilities but to see that you have assimilated the information into a practical and personal use, that you have made it your own to share. Remember that I am looking for your understanding of the material and what inquiry it has opened for you. Do not worry about your essay writing skills, please just write in a conversational way, directly to the reader like you are sharing your thoughts intimately. If you need any support or have any questions at any point through this process you can email Kinndli at info@poweryogacanada.com for clarification and support.

INDEPENDENT STUDY

You are required to complete the following to acquire your official 200 hr certification. All components are due on July 28, 2020.

1. Write a 3-5 page paper on the Yoga Sutras vs Religious text

Write a paper that compares and contrasts your understanding of the yoga sutras in relation to a religious text that resonates with you. (Bhagavad Gita, Bible, Koran, Course in Miracles...etc) If you do not resonate with any religion or spiritual text, please write about that and your learning in reading about the sutras. Discuss the lessons and philosophies that you find in both and how they contribute to your spiritual growth and self understanding. How are they relevant to you in your path thus far? Studying the sutras can be a whole 200hr training in itself, so please just read and investigate the concepts and theme of the sutras to use for your paper.

Suggested reading for reference:

- The Yoga Sutra of Pantanjali, Chip Hartranft
- Bhagavad Gita, Mitchel
- In your required reading book Heart of Yoga, there is a version of the Yoga Sutras in the back that you could also use.

CONTENT OVERVIEW FOR TRAINING (continued)

2. Write a 3-5 page paper on the chakra energy system

Using the suggested reading and/or other sources of inspiration write a 3-5 page paper on the chakra energy system and specifically on how it relates to you. What insights do you now have into your own physical and energetic blocks/openings. You do not need to re-introduce the chakras to me in the paper, I want to know how you have understood the information and how it relates to your personal experience in your body and life.

Suggested reading for reference:

- Eastern Body Western Mind, Judith Anodea

3. Purchase the following books and complete the required readings:

Journey Into Power, Baron Baptiste

CONTENT OVERVIEW FOR TRAINING (continued)

4. Yoga Philosophy and Group Discussions Paper

Write a 1-2 page paper comparing and contrasting the philosophies of the yoga history readings with the transformational themes throughout our discussions in the training. Draw the parallels between the tools and insights that you now have and the ancient philosophies and how you can specifically share them in your classes in such a way that is relatable to your students. Discuss why self inquiry is important, and how ancient yoga philosophy is relevant and made modern today through the transformation conversations you experienced.

- Heart of Yoga, Desikachar
- History of Yoga, Feurestien

5. Being of Service & Reflection Paper

You will create an opportunity to bring yoga to a new community (church, non-profit organization, school, worksite, food bank, hospital, shelter, park) where you cause change in peoples daily lives with the magic of living yoga. (this may or may not involve the asana of yoga)

Ideas:

- Local non-profit organization (soup kitchen, women's shelter)
- Offer yoga to a running race group or triathlon group
- Bring meditation and/or yoga to a homeless shelter
- Offer yoga at a school in a low-income area
- Bring meditation to special populations like the elderly
- Volunteer for habitat for humanity

Write a 1-2 page paper on your reflections on being of service. What insights do you have from your experience of service and from the PYC teacher training that have opened you to a new way of living powerfully for others.

6. Teach 6 classes

Teach 6 one hour or longer classes. These can be group or private classes with friends, family, or co-workers. Submit documentation in the form of a detailed list with dates/clients.
