WELCOME TO THE COLLECTIVE

We are thrilled that you have joined this program! You have made a powerful commitment to developing yourself as a yoga teacher and to deepen your understanding of yourself. If you are ready to create opportunity, inspiration, and connection, you have come to the right place. If you are reading this wondering, “what did I sign up for?” you too are in the right place!

Power Yoga Collective is a way of living - both on and off of the yoga mat. You will be empowered, inspired, and lit up to take your life on and to be a shining light to everyone around you.

At PYC, our medium is yoga, but our mission is simple:

Empower Communities Into Action

We execute our mission statement by living our core values and inspiring others to do the same. We empower our teams, communities, teachers, and studio owners to live our core values with us.

In this program, your current way of being and skill set will be both challenged and recognized. You will be asked to show up fully, not just by the program and group but by your higher self. When you heed the call to action, you will experience the power and magic of transformation. Our fundamental concern is to create a space where everyone feels a deep sense of community and belonging.

POWER YOGA CANADA grows into POWER YOGA COLLECTIVE

We opened our first Power Yoga Canada studio in November 2009 and we have been sharing hot sweaty power yoga ever since!

Now there are Power Yoga Canada studios throughout the Greater Toronto area all the way up to Sudbury. Our Canadian community is so amazing, that we wanted to start spreading our mission internationally and online.

Power Yoga Collective is now the umbrella community that encompasses and houses all things Power Yoga Canada including:

- Power Yoga Canada Studios
- Yoga Teacher Trainings
- Continuing Education Modules
- Retreats
- Membership Platform Power Yoga At Home

The PYC yoga teaching academy that you are participating in is the same program, execution, and facilitator team as before, we have simply changed the “C” from Canada to Collective.

The Power Yoga Collective: SEEK the TRUTH, a 200hr Yoga Teacher Training is the prerequisite for a future teaching spot at one of our PYC Yoga Studios.

When you graduate, you will be able to use both the Canadian title (Power Yoga Canada Yoga Teacher) and the global Collective title (Power Yoga Collective Yoga Teacher). You are witnessing the growth of your PYC family!

PROGRAM READINGS & PAPERS (continued)

Memorize the PYC Flow

Memorize the PYC Flow in this document. By coming to the training with the PYC Flow memorized we will be able to jump right into the nuts and bolts of how to teach with ease and joy. Practice memorizing the flow by writing it out, series by series, and by saying it out loud.

1- Audit 3 yoga classes online or in-person

You will explore the world of yoga by going out and experiencing three different styles of yoga with the curiosity to discover how different styles of yoga feel in your body and to observe how different teachers teach. Ashtanga, Kundalini, Bikram, Anusara, Yin, Restorative...etc). After you observe the class, take time to journal what you experienced.

2- Write a 3-5 page paper on the Yoga Sutras vs Religious text

Write a paper that compares and contrasts your understanding of the yoga sutras in relation to a religious text that resonates with you. (Bhagavad Gita, Bible, Koran, Course in Miracles...etc) If you do not resonate with any religion or spiritual text, please write about that and your learning in reading about the sutras. Discuss the lessons and philosophies that you find in both and how they contribute to your spiritual growth and self-understanding. How are they relevant to you in your path thus far? Studying the sutras can be a whole 200hr training in itself, so please just read and investigate the concepts and theme of the sutras to use for your paper.

Suggested reading for reference:

- The Yoga Sutra of Pantanjali, Chip Hartranft
- Bhagavad Gita, Mitchel • In your required reading book Heart of Yoga, there is a version of the Yoga Sutras in the back that you could also use.

3- Write a 3-5 page paper on the Chakra Energy System

Using the suggested reading write a 3-5 page paper on the chakra energy system and specifically on how each chakra relates to you personally. What insights do you now have into your own physical and energetic blocks/openings? You do not need to re-introduce the chakras to us in the paper. We want to know how you have understood the information and how it relates to your personal experience.

Suggested reading for reference:

- Eastern Body Western Mind, Judith Anodea (Suggested reading for reference)

4- Teach SIX classes: Teach six one (1) hour or longer classes in person or online.

These can be group or private classes with friends, family, or co-workers. Create documentation in the form of a list with dates, times and guests names.

PROGRAM READINGS & PAPERS (continued)

5- Yoga Philosophy and Group Discussions Paper

Write a 1-2 page paper comparing and contrasting the philosophies of the yoga history readings with the transformational themes throughout our discussions in the training. Draw the parallels between the tools and insights that you now have and the ancient philosophies and how you can specifically share them in your classes in such a way that is relatable to your students. Discuss why self-inquiry is important, and how ancient yoga philosophy is relevant and made modern today through the transformation conversations you experienced.

Suggested reading for reference:

- Heart of Yoga, Desikachar
- History of Yoga, Feuerstein

6- Yamas/Niyamas Reflection Paper

Write a 1-2 page paper on the 5 yamas and 5 niyamas. You can write a short paragraph for each one and how they relate to you personally. Expand on them as practices as a yogi, a yoga teacher, and in your life off your mat.

Suggested reading for reference:

- Heart of Yoga, Desikachar
- History of Yoga, Feuerstein

7- Being of Service and Reflection Paper

You will create an opportunity to bring yoga to a new community (church, non-profit organization, school, worksite, food bank, hospital, shelter, park) where you cause a change in people's daily lives with the magic of yoga.

Write a 1-2 page paper on your reflections on being of service. What insights do you have from your experience of service and from the PYC teacher training that have opened you to a new way of living powerfully for others.

8- Anatomy Test

In your PYC Manual (which will you receive prior to training), all of the questions for the anatomy test can be found. This will be an open book test where you will gain a deeper understanding of the anatomy and physiology of the body.
