COLLECTIVE

300 HOUR YOGA TEACHER
TRAINING PROGRAM BROCHURE

FALL 2026

WELCOME TO THE COLLECTIVE

We are thrilled that you have joined this program! You have made a powerful commitment to developing yourself as a yoga teacher and to deepen your understanding of yourself. If you are ready to create opportunity, inspiration, and connection, you have come to the right place. If you are reading this wondering, “what did I sign up for?” you too are in the right place!

Power Yoga Collective is a way of living - both on and off of the yoga mat. You will be empowered, inspired, and lit up to take your life on and to be a shining light to everyone around you.

At PYC, our medium is yoga, but our mission is simple:

Empower Communities Into Action

We execute our mission statement by living our core values and inspiring others to do the same. We empower our teams, communities, teachers, and studio owners to live our core values with us.

In this program, your current way of being and skill set will be both challenged and recognized. You will be asked to show up fully, not just by the program and group but by your higher self. When you heed the call to action, you will experience the power and magic of transformation. Our fundamental concern is to create a space where everyone feels a deep sense of community and belonging.

POWER YOGA CANADA grows into POWER YOGA COLLECTIVE

We opened our first Power Yoga Canada studio in November 2009 and we have been sharing hot sweaty power yoga ever since!

Now there are Power Yoga Canada studios throughout the Greater Toronto area all the way up to Sudbury. Our Canadian community is so amazing, that we wanted to start spreading our mission internationally and online.

Power Yoga Collective is now the umbrella community that encompasses and houses all things Power Yoga Canada including:

- Power Yoga Canada Studios
- Yoga Teacher Trainings
- Continuing Education Modules
- Retreats
- Membership Platform Power Yoga At Home

The PYC yoga teaching academy that you are participating in is the same program, execution, and facilitator team as before, we have simply changed the “C” from Canada to Collective.
